I am Haksemin KARAGÖZLÜ and I am from Türkiye.

I have been developing & designing games since 2017. I generally use Unity Game Engine for development.

I am available to work in any country and city. Also I can work remote.

I have used teamwork and communication skills in my all job and voluntary positions. I have been working as a volunteer youth leader at Republic of Türkiye Ministry of Youth and Sports. Also I have worked at World Karate Federation as a Volunteer Chairman Assistant and World Etnosport Confederation as a volunteer management staff.

I am good at networking, communication, teamwork and learning skills. Especially in learning new languages.

I am improving my C# development skills now and also I am a Junior React Native Developer.

Also I am a Unmanned Aerial Vehicle Pilot (IHA-1) and Musician. I am good at flights and music producing in Logic Pro X.

I always go new courses and tutorials. Like UNICEF's social media vlogger tutorial. Also I am a certificated Erasmus+ Tutor in Vision Clubs which is owned by Republic of Türkiye Ministry of Youth and Sports.

If you like my profile I can send my portfolio to you.
